effective solutions

BALENO

Departamento Interno de I&D

pt BALENO é uma proposta simples e despreocupada, que se desenvolve em torno do compromisso de reduzir a complexidade de um produto, mantendo as suas funcionalidades.

É assim que a linha BALENO surge informal na sua estética, económica e completa nas suas soluções.

O sistema desenvolve-se a partir duma perna voluntariamente reduzida ao essencial que permite a realização de elementos que vão desde o posto individual até ao balcão mais complexo.

es BALENO es una propuesta sencilla y despreocupada, que gira en torno a un compromiso de reducir la complejidad de un producto manteniendo sus características.

Esa es la línea BALENO, de estética informal, económica y completa en sus soluciones.

El sistema evoluciona de una pata voluntariamente reducida al mínimo que permite la realización de los elementos que van desde el puesto individual al mostrador más complejo.

fr BALENO est une simple et détendue proposition, qui s'articule autour d'un compromis à réduire la complexité d'un produit en maintenant ses caractéristiques.

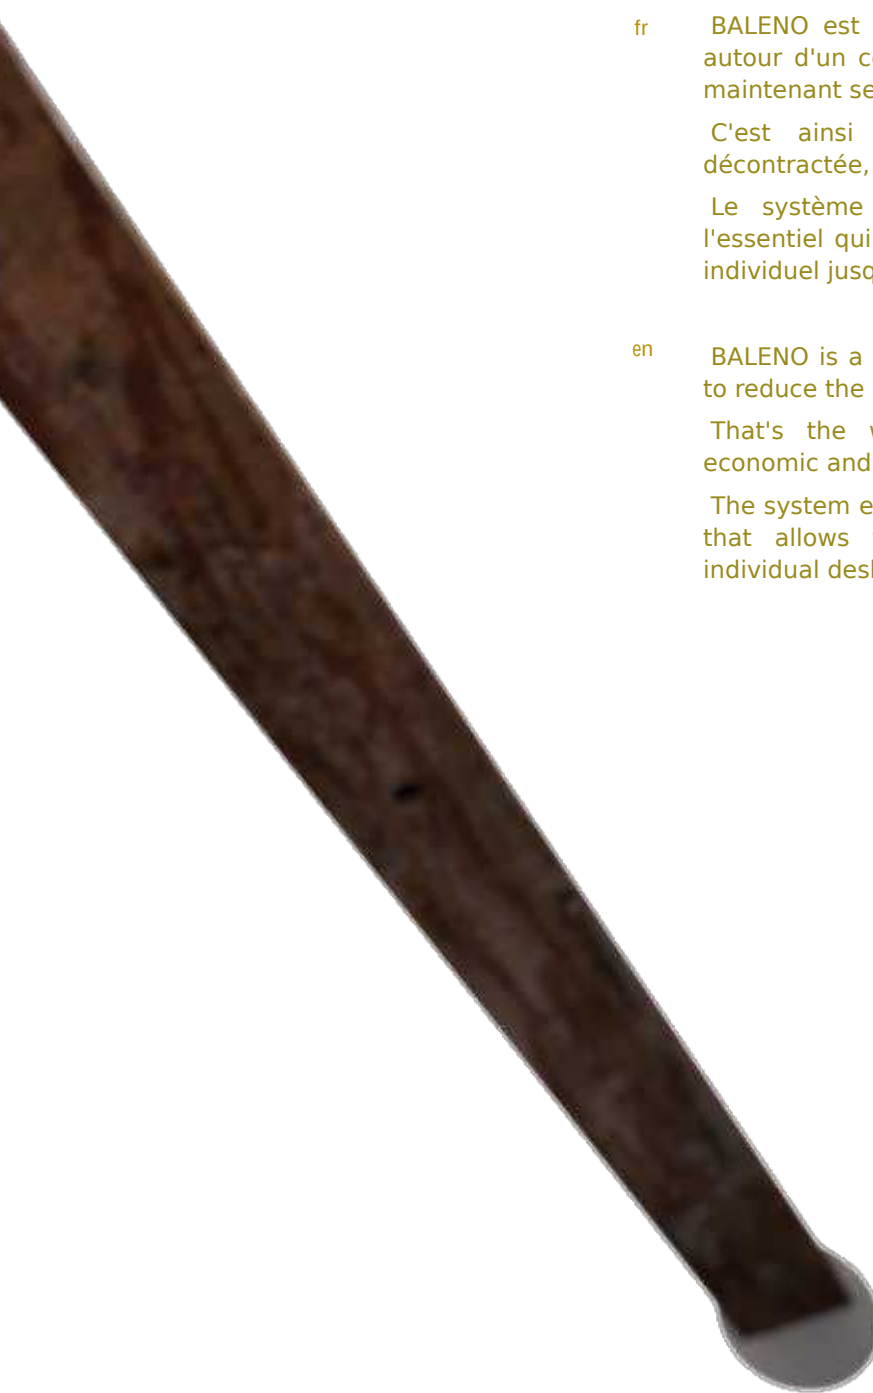

C'est ainsi que BALENO est née avec son esthétique décontractée, économiques et complète dans ses solutions.

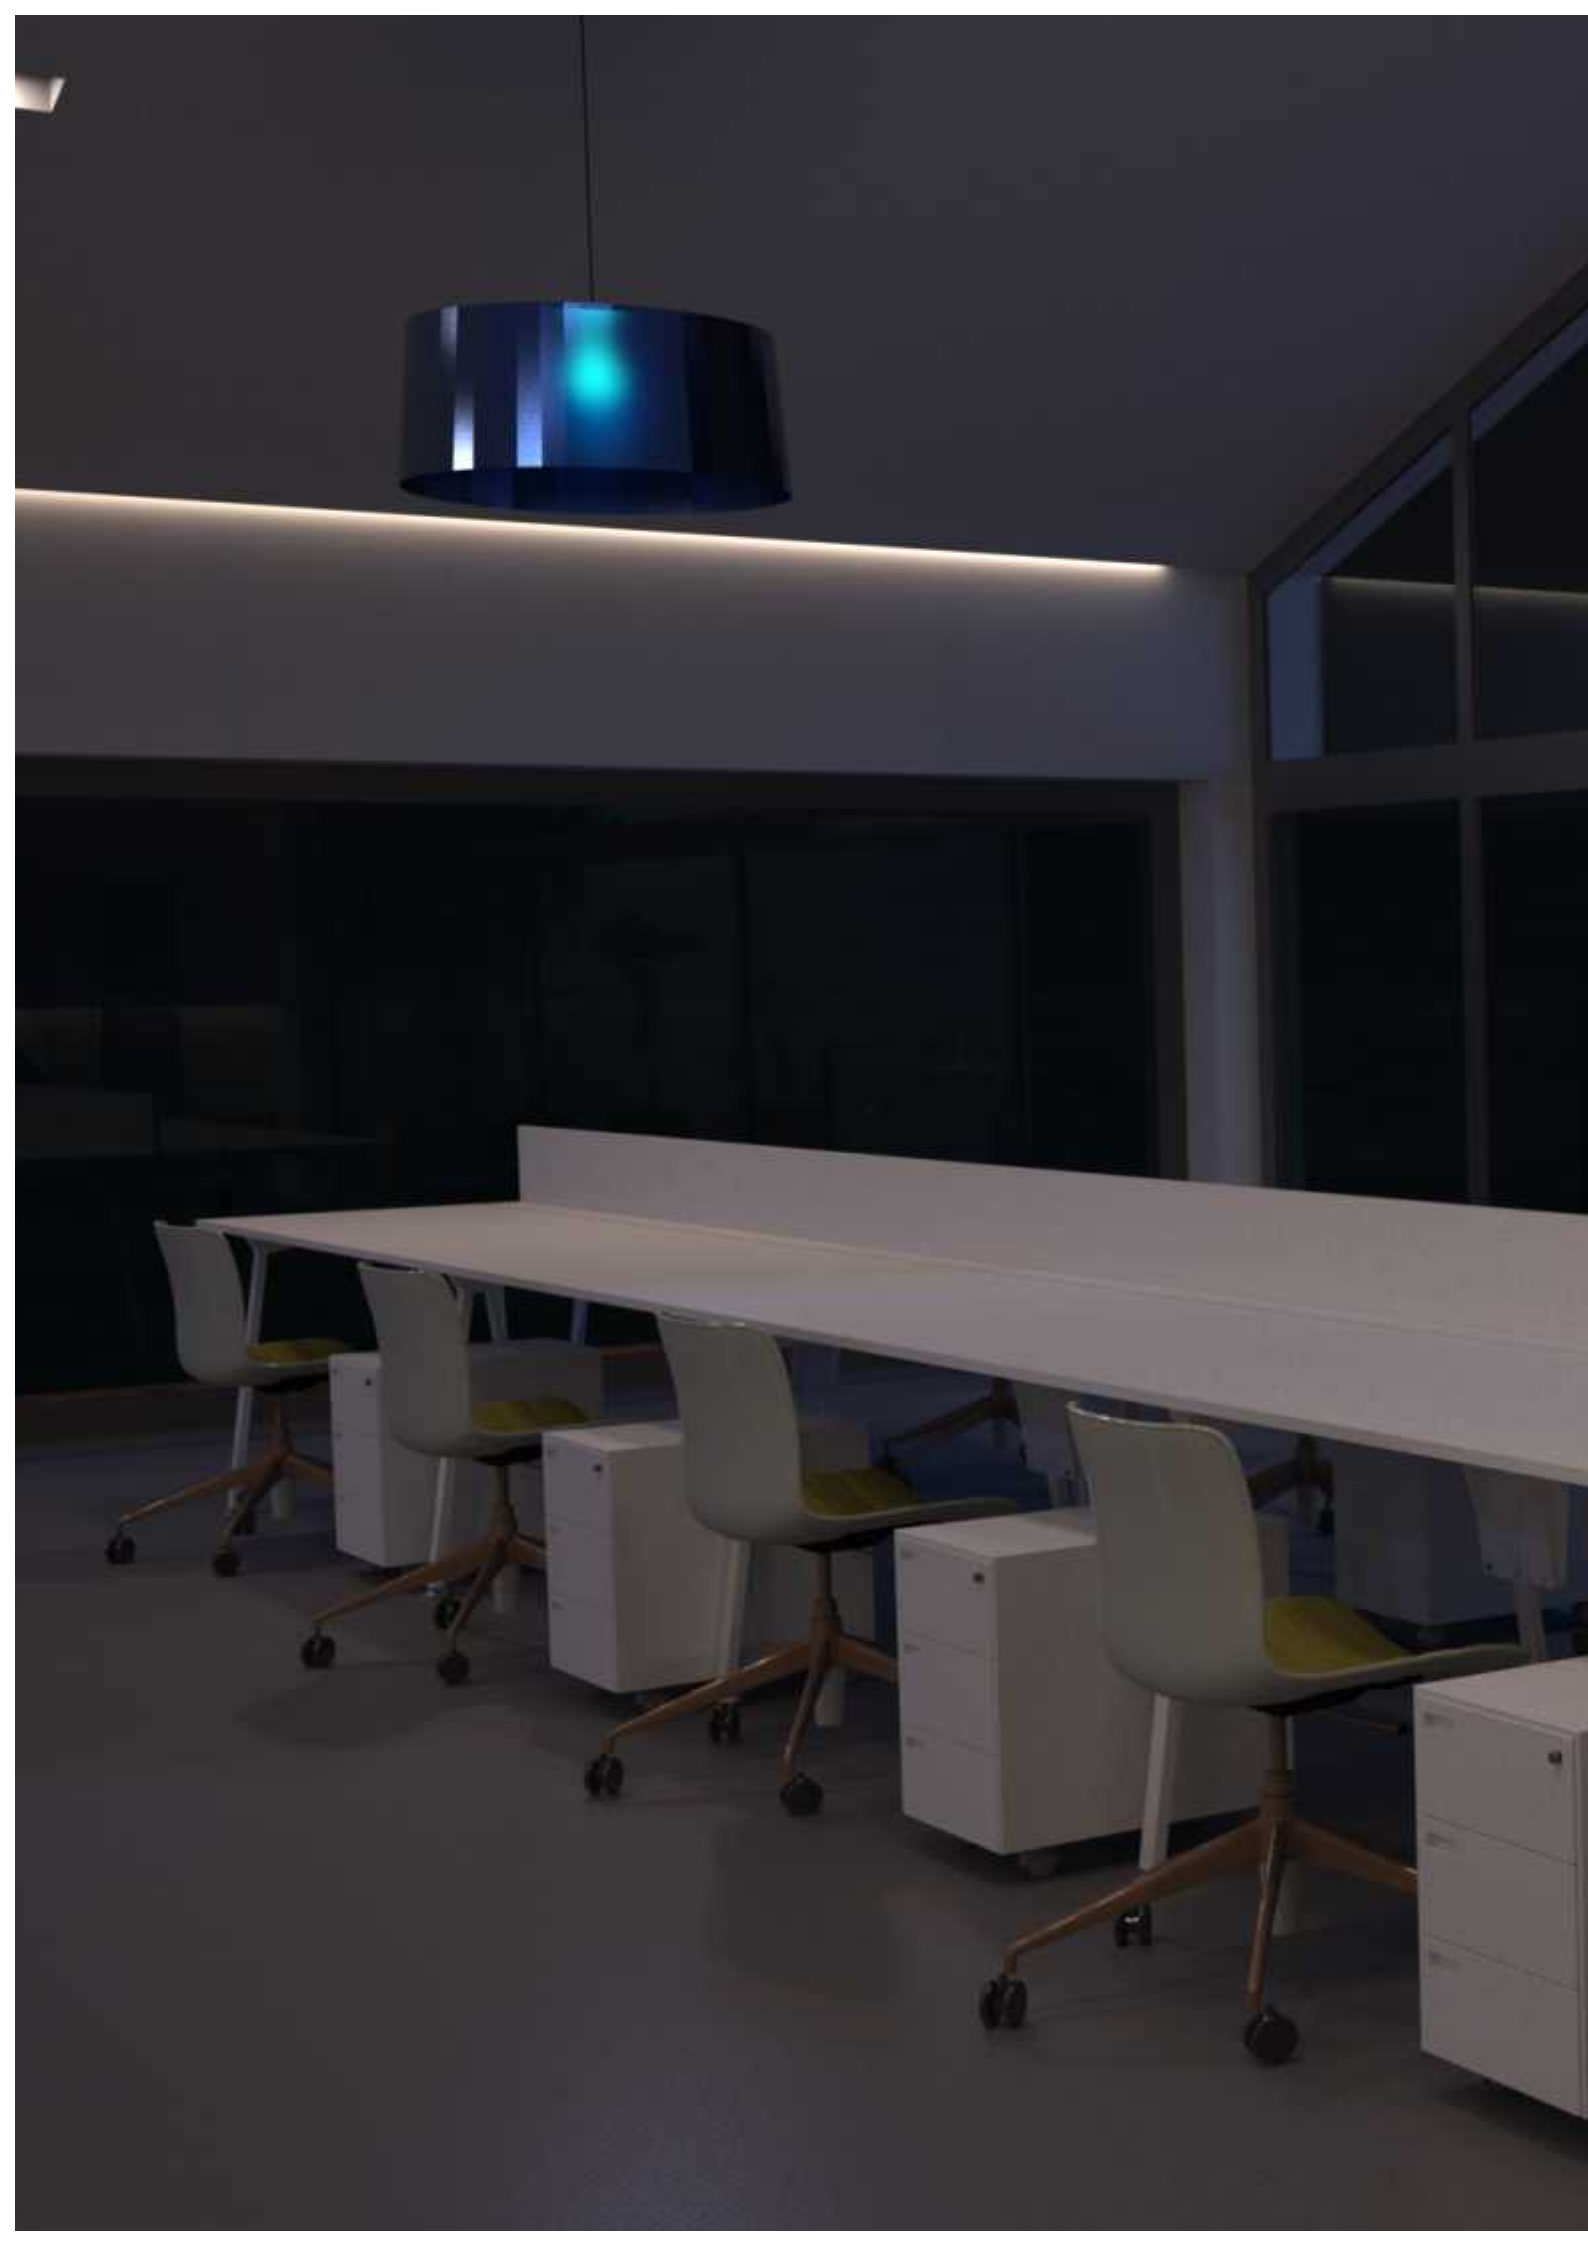

Le système évolue d'une jambe volontairement réduit à l'essentiel qui permet la réalisation d'éléments allant du bureau individuel jusqu'au comptoir le plus complexe.

en BALENO is a simple proposal, which turn around a commitment to reduce the complexity of a product while keeping its features.

That's the way BALENO come, informal in his aesthetic, economic and complete in their solutions.

The system evolves from a leg, voluntarily reduced to essentials, that allows the realization of elements ranging from the individual desk to the complex counter layout.

A linha BALENO propõe-se como um sistema completo e económico para o equipamento de espaços de trabalho acolhedores e dinâmicos.

La línea BALENO se propone como un sistema completo y económico para espacios de trabajo acogedores y dinámicos.
