# Quadra 2

QUADRA 2 is a functional furniture line that originates from the integration of vertical supports, enhancing the leg's connection with the floor. Upgrade your workspace with our versatile collection of work surfaces and conference tables. Our collection comprises a versatile range of work surfaces and conference tables that can be tailored to meet your specific requirements. Whether you need a single workstation or multiple workstations, we have a plethora of options to choose from. In addition to the work surfaces, our line comes equipped with a variety of accessories such as pedestals, modesty panels, separation screens, and electrification solutions that help optimize the workspace. These accessories are designed to provide organization, privacy, and functionality, making your workspace more efficient and productive.
